Report on the 2012 Financial Statements of CIC Crown Corporations and Related Entities

1.0 Purpose

The purpose of this Report is to inform the Legislative Assembly of our Office's views on the financial statements of Crown Investments Corporation of Saskatchewan (CIC), its subsidiaries, and other related entities. Our views on the financial statements of other Crown agencies are presented in a separate report.

2.0 Background

The Assembly allows the Government to appoint auditors to examine and report on Crown agencies. The Provincial Auditor, however, retains overall responsibility for the audits of all Crown corporations.

In June 1994, the *Report of the Task Force on Roles, Responsibilities and Duties of Auditors*[1] recommended how the audit system for CIC and its subsidiary Crown corporations could function more efficiently and effectively. Our Office, CIC, CIC Crown corporations, and appointed auditors are using those recommendations to better serve the Assembly's needs. The Task Force recommended that we give the Assembly a report listing the CIC Crown corporations in whose audits we participated.

The objectives of each audit are to form the following opinions and to report the results to the Assembly.

- An opinion on the rules and procedures used by the agency to safeguard public resources.
- An opinion on the agency's compliance with the authorities governing its activities related to financial reporting, safeguarding public resources, revenue raising, spending, borrowing, and investing.
- An opinion on the reliability of the agency's financial statements.

In our *2013 Report – Volume 1*, we will report the results of these audits as required by *The Provincial Auditor Act*. The appointed auditors' reports on the reliability of each CIC Crown corporation's and related entity's financial statements accompany the respective financial statements.
